All leave on Esse products consist of a BIOME+ formulation except for the treatment oils, Bakuchiol Serum, Pro-Sun D Serum, and Lip Conditioner.

Esse Core Offering

Cleansers

Designed to create minimal disruption to the skin's lipid structure while removing make-up, sunscreen and accumulated toxins.

Our skin is not a blank canvas, it is home to millions of microbes that keep our skin healthy. The goal of cleansing is not to strip the skin and kill all microbes, it is to cleanse effectively with minimal disturbance.

Like the rest of the Esse products, the cleansers are pH balanced at the skin's natural pH of between 4 and 5.

We advise against over-cleansing and only recommend cleansing to remove make-up, sunscreen, or pollution. Should a cleanse be necessary, we recommend splashing water on the face in the morning as our microbes need the oils on the surface on our skin for food.

Mists

These easy-to-use spray-on treatment products are pH balanced (along with the rest of the range) and contain actives that soothe and protect skin while boosting hydration.

Moisturisers

Your moisturiser is your most important beauty product. Not only does it take care of hydration, but it can also balance your lipid levels and help to build probiotic populations.

The BIOME+ technology in Esse moisturisers uses prebiotics to selectively feed good microbes and postbiotics (probiotic extracts) to favourably shift the microbial balance on your skin.

A healthy microbiome means a radiant skin that is resilient to external aggressors.

Esse moisturisers are recommended according to skin condition.

Joboba Oil forms the base to many of the Esse Moisturisers, unlike nutrient-devoid mineral oils; this vitamin-rich oil provides added benefits to all skin conditions.

Additional Uses:

- › The Light, Deep, Rich and Ultra Moisturisers can be used for daytime protection and the Omega Light, Deep and Rich Moisturisers can be used as a nurturing night time moisturiser.
- › For additional nourishment, the Repair Oil may be combined with the application of the preferred Esse Moisturiser.

Treatments

Esse Core offers a several of organic treatment products with concentrated actives to boost your daily skincare routine. Smaller molecules mean they can easily penetrate the skin and deliver high doses of beneficial ingredients to the deepest layers where they will be most effective. Your skin's microbiome is boosted resulting in improved radiance and resilience.

Recommend these products to clients looking to enhance the results offered from the basics of a daily routine.

Exfoliators

Ideally, exfoliators gently scrub away dead skin cells to reveal a glowing, bright complexion. Esse favours mild physical exfoliation over harsh chemical exfoliations. We get similar brightening results without risking over-exfoliation or accelerated ageing.

Exfoliators refine skin texture and prepare skin to absorb maximum amounts of actives from follow-on products.

Encourage sales of exfoliators by demonstrating the product on the back of one of the client's hands. They will be amazed when comparing the appearance of both hands.

Masks

Powerful and result driven, Esse masks are designed to give your skin what it needs most while supporting your skin's natural microbiome. Masks are formulated to address specific skin concerns. By infusing with vitamins or including detoxifying clays we can deliver powerful results with these targeted organic treatments.

Make-up Remover

hydrates while cleansing

100ml/3.4 fl oz. glass bottle with pump & 200ml salon tube

Effectively removes make-up without irritation, leaving the eyelids relaxed and hydrated.

- › all skins
- › very dry skin 'all over' cleanse

Esse Sales Pitch: Creamy makeup remover that effortlessly lifts waterproof makeup.

Features

- › Dissolves all traces of make-up including waterproof mascara.
- › Contains soothing and hydrating extracts.
- › Water-soluble.
- › Matched to the skin's pH with gentle surfactants to ensure the skin's delicate microbiome is not disrupted.

Key ingredients

- › Jojoba Oil - improves elasticity and leaves a refined, smooth after-feel.
- › Marula Oil - is rich in omegas, Vitamin C and E; dissolves oil-based impurities.
- › Frankincense Oil - promotes cellular regeneration and assists in toning and tightening the skin.

99% Natural
60% Organic
100% Vegan
100% Cruelty Free
337g Carbon Offset

Use

With eyes closed, gently wipe around the eye area with a small amount applied to a dampened cotton pad. Turn pad over and wipe to remove. Follow with an Esse Cleanser,

Additional uses:

Can be massaged into the entire face as a pre-cleanser to remove all make-up, rinse to remove. Follow with your preferred Esse cleanser.

Cream Cleanser

water-soluble, non-greasy

100ml/3.4fl oz. AND 200ml/6.4fl oz. glass pump bottle & 400ml salon pump

Gently and effectively removes dirt by binding with oil-based impurities, allowing them to be rinsed away. Vitamin C rich Marula Oil keeps the skin moisturised during cleansing.

- › all skin types
- › dryness
- › skin ageing

Esse Sales Pitch: A rich cleanser with Marula Oil to dissolve oil-based impurities with a nourishing effect.

Features

- › Effectively removes make-up.
- › Could be used as the first part of a double cleanse.
- › Removes oil-based impurities.

Key ingredients

- › Marula Oil - is rich in omegas, Vitamin C and E; dissolves oil-based impurities.
- › Jojoba Oil - leaves skin feeling refined and smooth and makes it the ideal product for skin that tends towards dryness.
- › Rose Geranium - reduces inflammation and assists with healing while imparting a fragrant mix of rose and citrus notes.

99% Natural

86% Organic

100% Vegan

100% Cruelty Free

335g Carbon Offset (100ml pack)

555g Carbon Offset (200ml pack)

Use

Apply daily to damp skin, massage well with fingertips, rinse to remove. Follow Esse routine.

Additional uses:

Use on a cotton pad to remove eye make-up.

Gel Cleanser

refreshing, foaming cleanser

100ml/3.4fl oz. AND 200ml/6.4 fl oz. glass pump bottle & 400ml salon pump

An invigorating, foaming cleanser with Peppermint and Spearmint oils to refresh and improve micro-circulation aiding in the elimination of toxins.

- › oiliness

Esse Sales Pitch: A foaming gel with Spearmint to cleanse, refresh, and detoxify.

Features

- › Organic ingredients and a pH of 4.5 ensure the skin's microbiome is not disrupted.
- › Non-drying, foaming cleanser for a fresh feel.
- › Deep cleanse removes impurities.
- › Improves microcirculation.

Key ingredients

- › Coco-Glucoside - is a mild, biodegradable, plant-based foaming agent. Creates a luxurious lather without stripping the skin.
- › Rooibos - has strong antioxidant properties and neutralises toxins and free radicals from pollution exposure.
- › Aloe Vera - exhibits anti-inflammatory properties and regulates immune function.
- › Peppermint and Spearmint - improves microcirculation, refreshes, and aids detoxification and imparts a fresh, uplifting fragrance.

99% Natural

70% Organic

100% Vegan

100% Cruelty Free

339g Carbon Offset (100ml pack)

561g Carbon Offset (200ml pack)

Use

Dispense a small pump of Gel Cleanser into wet hands, lather, and massage into wet face, neck, and décolleté. Rinse to remove and pat dry. Follow with Esse routine.

Additional uses:

- › Highly effective as a second cleanse to remove water-soluble impurities.
- › All-over body wash for highly sensitive and inflamed skin, use sparingly.
- › Ideal as a pH-balanced intimate wash.
- › Can be used as a shaving gel.

Refining Cleanser

purifying, clay-based cleanser

100ml/3.4fl oz. pump tube & 200ml salon tube

A deep-cleansing, foaming, clay wash with superfine exfoliating granules which draw out toxins and refine skin tone and texture.

- › all skin types
- › combination skin
- › oiliness
- › pigmentation
- › easy cleanse for men

Esse Sales Pitch: A clay-based cream with Bentonite to gently exfoliate and detoxify.

Features

- › Mild surfactants will not disrupt the beneficial microbes needed by skin.
- › Deep cleansing for oily, congested skin.
- › Removes impurities and absorbs excess oils.
- › Detoxifies and brightens.
- › Ideal after physical activity.

Key ingredients

- › Aloe Vera - soothes and calms.
- › Bentonite Clay - absorbs excess sebum and possesses fine particles with dual exfoliating and detoxifying properties.
- › Kalahari Melon - prevents dryness and leaves a supple skin finish.
- › Orange Peel Oil - aids in skin conditioning and imparts an uplifting fragrance.
- › Commiphora Wildii (Namibian Myrrh) Oil - is a wild-harvested, Namibian essential oil with a delightfully uplifting, earthy fragrance.

99% Natural

50% Organic

100% Vegan

100% Cruelty Free

283g Carbon Offset

Use

Dispense a small amount into hands and form a lather. Massage over face, neck, and décolleté concentrating on areas of concern. Rinse with warm water. Follow with Esse routine. If skin experiences dryness from daily use, reduce use to 2-3 times per week.

Additional uses:

- › Dab onto breakouts for an overnight spot treatment.
- › A no-fuss cleanse for men. Assists in the prevention of ingrown hairs caused by shaving.

Hydrating Mist

hydrating, antioxidant mist

100ml/3.4fl oz. glass spritz bottle & 250ml salon spritz size

A hydrating antioxidant mist with Rooibos and Olive Leaf Extract to revitalise and protect skin from pro-ageing environmental aggressors.

- › all skins
- › dehydrated skin
- › skin exposed to pollution

Esse Sales Tip: Hydrating antioxidant mist for all skin types.

Features

- › pH balanced to support a healthy skin microbiome and strengthen barrier function.
- › Non-drying, alcohol-free.
- › Refreshes and revitalises.
- › Rich in protective antioxidants.
- › Prepares skin for follow-on product with its lightweight moistening effect.

Key ingredients

- › Olive Leaf Extract - is an antioxidant that combats the negative effects of pollution and sun damage.
- › Rooibos Leaf Extract - offers potent antioxidant protection that boosts skin immunity.
- › Rose Flower Water - is a light, gentle astringent, and pairs with Vanilla to impart a soft floral fragrance.

99% Natural
99% Organic
100% Vegan
100% Cruelty Free
334g Carbon Offset

Use

Just before moisturising, with eyes closed, spritz 4 – 6 pumps onto face, neck, and décolleté. Pat the surface of the skin to encourage absorption and follow with your Esse routine.

Additional uses:

- › Spritz over make-up to freshen and re-hydrate throughout the day.
- › Spritz over Esse Clay Mask to enhance its drawing action.

Biome Mist

postbiotic defence spritz

100ml/3.4fl oz. glass spritz bottle & 250ml salon spritz size

A powerhouse of postbiotics and prebiotics improve barrier function and hydrate for advanced anti-ageing benefits.

- › all skins
- › acne
- › dryness
- › oiliness
- › pigmentation
- › skin ageing

Esse Sales Pitch: Postbiotic defence for all skin types to support the skin's microbiome.

Features

- › BIOME+ LEVEL 3 FORMULATION means this product contains tyndallised *Lactobacillus* bacteria that are capable of docking onto skin cells.
- › Hydrates, refreshes, and improves skin vitality. Visible improvement in vitality is often noted after two weeks of twice- daily use.
- › Repairs and protects.
- › Reduces inflammation.
- › Improves firmness and elasticity.

Key ingredients

- › Tyndallised *Lactobacillus* (Postbiotics) - consisting of deactivated probiotic cells that are still able to positively influence the conversation between the skin and its microbiome in the following ways:
 - Boost barrier function and protect the skin.
 - Calm and reduce sensitivity.
 - Bind collagen and elastin.
- › Aloe Vera - soothes and calms.
- › Lactic Acid - hydrates and reduces fine lines.
- › Prebiotics of Inulin, Baobab Fruit Extract & Alpha-Glucan Oligosaccharide - selectively feed good skin microbes to support a healthy microbiome.

99% Natural

95% Organic

100% Vegan

100% Cruelty Free

342g Carbon Offset

Use

Just before moisturising, with eyes closed, spritz 4 – 6 pumps onto face, neck, and décolleté. Pat the surface of the skin to encourage absorption and follow with your Esse routine.

Spritz throughout the day to hydrate and refresh your skin's probiotic "shield".

Light Moisturiser

lightweight & mattifying

50ml/1.7fl oz. glass jar

This lightweight moisturiser reduces excess shine by delivering ingredients, which match the natural fatty acid profile of sebum. The skin is left matte yet hydrated. It is formulated to balance the skin's immune system, to reduce inflammation, and to address sun damage and the early signs of ageing.

- › oily skin types
- › individuals who are not accustomed to moisturising

Esse Sales Pitch: Lightweight moisturiser with sebum-mimicking oils to unblock follicles and feed the skin microbiome.

Features

- › BIOME+ LEVEL 2 + 3 FORMULATION postbiotics and prebiotics to support a balanced skin microbiome.
- › Provides low oil nourishment without a greasy feel.
- › Smooths and helps improve skin texture.
- › Lightweight absorbs with ease.
- › Ideal for humid climates.

Key ingredients

- › Prebiotics and postbiotics - shift and feed the skin's microbiome to strengthen the barrier function.
- › Rooibos Leaf Extract - is a rich antioxidant.
- › Ascorbyl Palmitate - is a derivative of Vit C that is lipid (fat) soluble, delivering antioxidants faster than the water-soluble forms.
- › Grape Seed Extract - is an antioxidant, improves skin structure by increasing the production of collagen and elastin.
- › Olive Leaf Extract - has antioxidant and anti-wrinkle properties. Protects against UV induced skin ageing.
- › Hyaluronic Acid - improves hydration and decreases fine lines.
- › Jojoba Oil - is rich in vitamin A, D and E. Unblocks follicles and modulates oil production.
- › Rose Geranium, Chamomile and Spearmint - balances sebum production, keeps skin supple while imparting a light, fresh fragrance.
- › Yangu & Manketti Oils - provide a natural sun protection of approximately SPF4. For prolonged sun exposure, additional SPF may be required.

99% Natural
84% Organic
100% Vegan
100% Cruelty Free
345g Carbon Offset

Use

In the morning or twice daily, apply over damp face, neck, and décolleté with light, upward strokes. Best when used after an Esse Mist application to boost hydration.

Deep Moisturiser

medium-weight balancing

50ml/1.7fl oz. glass jar

A medium-weight moisturiser to maintain balance without leaving greasy residues or dry areas.

- › normal skin types
- › combination skin types

Esse Sales Pitch: Medium-weight moisturiser with prebiotics to feed the skin microbiome and improve barrier function.

Features

- › BIOME+ LEVEL 2 + 3 FORMULATION postbiotics and prebiotics to support a balanced skin microbiome.
- › Balances oily and dry areas.
- › Smooths fine lines and promotes elasticity.
- › Shields against dehydration and pollution.
- › Antioxidants help fight skin-ageing free radicals.

Key ingredients

- › Prebiotics and postbiotics - shift and feed the skin's microbiome to strengthen the barrier function.
- › Rooibos, Baobab Fruit Extract and Vitamin C - are all potent antioxidants and bind to free radicals that cause premature ageing.
- › Grape Seed Extract - is an antioxidant and improves skin structure by increasing the production of collagen and elastin.
- › Olive Leaf Extract - is antioxidant, anti-wrinkle and protects against UV induced skin ageing.
- › Hyaluronic Acid - improves hydration, decreases fine lines, and exhibits anti-inflammatory properties.
- › Kigelia Extract - is skin firming, improves elasticity and repairs damage caused by the sun.
- › Yangu & Manketti Oils - provide a natural sun protection of approximately SPF4. For prolonged sun exposure, additional SPF may be required.

99% Natural
84% Organic
100% Vegan
100% Cruelty Free
345g Carbon Offset

Use

In the morning or twice daily, apply over damp face, neck, and décolleté with light, upward strokes. Best when used after an Esse Mist application to boost hydration and for added protection.

Rich Moisturiser

nourishing and moisturising

50ml/1.7fl oz. glass jar

Excellent penetrative qualities allow this antioxidant-rich moisturiser to treat from below the surface. Skin feels softer and perfectly nourished.

- › normal skin types
- › dryness
- › skin ageing

Esse Sales Pitch: Nourishing moisturiser with postbiotic Lactobacillus ferment to hydrate and protect.

Features

- › BIOME+ LEVEL 2 + 3 FORMULATION postbiotics and prebiotics to support a balanced skin microbiome.
- › Restores skin's natural moisture.
- › Improves suppleness and elasticity.
- › Nourishing and comforting.
- › Ideal for dry climates.

Key ingredients

- › Prebiotics and postbiotics - shift and feed the skin's microbiome to strengthen the barrier function.
- › Marula Oil - is a stable antioxidant and has high levels of omega 6 essential fatty acids. Improves skin barrier function.
- › Rooibos, Baobab Fruit Extract and Vitamin C - are potent antioxidants and bind to free radicals that cause premature ageing.
- › Grape Seed Extract - is an antioxidant, improves skin structure by increasing the production of collagen and elastin.
- › Olive Leaf Extract - is antioxidant and anti-wrinkle and protects against UV induced skin ageing.
- › Hyaluronic Acid - improves hydration, decreases fine lines, and exhibits anti-inflammatory properties.
- › Ascorbyl Palmitate - is a derivative of Vitamin C that is lipid (fat) soluble, delivering antioxidants faster than the water-soluble forms. Prevents cellular ageing by inhibiting the oxidation of proteins, and lipid peroxidation.
- › Kigelia Extract - is skin firming, improves elasticity.
- › Yangu & Manketti Oils - provide a natural sun protection of approximately SPF4. For prolonged sun exposure, additional SPF may be required.

Ultra Moisturiser

super-rich and nourishing

50ml/1.7fl oz. glass jar

Ultra-rich and nourishing moisturiser with a blend of lipids to deeply hydrate and repair.

- › very dry skins
- › skin ageing
- › very dry weather conditions

Esse Sales Pitch: Ultra-rich and nourishing moisturiser with a blend of lipids to deeply hydrate and repair.

Features

- › BIOME+ LEVEL 2 + 3 FORMULATION postbiotics and prebiotics to support a balanced skin microbiome.
- › Improves skin structure and barrier function.
- › Repairs and protects lipid dry skin.
- › Antioxidants help fight skin-ageing free radicals.
- › Ideal for dry climates.

Key ingredients

- › Prebiotics and postbiotics - are included to shift and feed the skin's microbiome to strengthen the barrier function.
- › Grape Seed Extract - is antioxidant, improves skin structure by increasing the production of collagen and elastin.
- › Olive Leaf Extract - is antioxidant, anti-wrinkle and protects against UV induced skin ageing.
- › Ascorbyl Palmitate - is derivative of Vitamin C that is lipid (fat) soluble, delivering antioxidants faster than the water-soluble forms. Prevents cellular ageing by inhibiting the oxidation of proteins, and lipid peroxidation.

Omega Light Moisturiser

brightening & mattifying

5 x 10ml/ 5 x 0.34fl oz. glass jars

A light-textured moisturiser for oily skins, providing lasting protection. Packed with actives that include high levels of omega-3 oils. Leaves the skin hydrated but with a matte finish.

- › acne-prone skin
- › oiliness
- › pigmentation
- › normal skin in humid conditions

Esse Sales Pitch: Brightening and mattifying moisturiser with omega-3 oils to hydrate and nourish.

Features

- › BIOME+ LEVEL 2 + 3 FORMULATION postbiotics and prebiotics to support a balanced skin microbiome.
- › Prebiotic microbiome support.
- › Easily absorbed.
- › Reduces redness and inflammation.

Key ingredients

- › Inulin - is a prebiotic that selectively feeds good skin microbes to support a healthy microbiome.
- › Kalahari Melon Oil - is rich in omega oils and antioxidants, moisturising, regenerative, restructuring and anti-inflammatory.
- › Marula Oil - is rich in Vitamin C, omegas, and antioxidants. Nourishing and hydrating, easily absorbed, softening, revitalising and reduces redness.
- › Aloe Vera - evens skin-tone, easily absorbed. Calming and healing.
- › Grape Seed Extract - is an antioxidant and improves skin firmness and elasticity.
- › Vitamin E - is an antioxidant that works synergistically with Ascorbyl Palmitate (Vitamin C) to prevent cellular ageing.
- › Jojoba Oil - regulates sebum production. Minimises follicular blockages.
- › Low Molecular Weight Hyaluronic Acid - is intensely hydrating and plumps fine lines.

Ideal for people on Roaccutane.

Eye & Lip Cream

firming & hydrating

15ml/ 0.5fl oz. glass pump & 50ml salon pump

This lightweight eye cream is packed with actives to hydrate and smooth fine lines around the delicate eye area. It addresses early signs of ageing, improves elasticity and aids in tissue repair.

- › all skins
- › sensitivity
- › fine eye lines
- › lip concerns

Esse Sales Pitch: A nourishing cream with Hyaluronic Acid to hydrate and plump and Kigelia to boost firmness.

Features

- › BIOME+ LEVEL 2 + 3 FORMULATION indicates high levels of prebiotics (Inulin and Alpha-Glucan Oligosaccharides) and postbiotics to shift microbial populations at the expense of pro-ageing species. Plumps and softens. Improves the appearance of fine lines.
- › Healing and regenerating.
- › Ideal for even the most sensitive skins.

Key ingredients

- › Prebiotics (Inulin) and postbiotics - shift and feed the skin's microbiome to strengthen barrier function.
- › Hyaluronic Acid - is hydrating and has an instant plumping effect.
- › Kigelia Extract - is skin firming and tightening.
- › Rooibos, Olive Leaf and Grape Seed Extracts - provide antioxidants to protect collagen and elastin.
- › Rosehip Oil - repairs and protects and improves elasticity.

Use

Twice daily, divide a small pump between the index fingers. Smooth gently over the upper lid and below the eye in an outward direction. Apply the remainder to the skin around the lips. Follow with preferred moisturiser.

Additional uses:

Apply to inflamed, flaky or irritated skin patches to heal and soothe.

Hyaluronic Serum

hydrates & plumps

15ml/ 0.5fl oz. & 30ml/1fl oz glass pump & 50ml salon pump

Intensely hydrating serum with anti-inflammatory action to slow ageing.

- › first signs of ageing
- › dehydrated skin
- › good general skin serum

Esse Sales Pitch: A light gel serum with high-dose Hyaluronic Acid to improve fine lines and wrinkles.

Features

- › BIOME+ LEVEL 2 + 3 FORMULATION postbiotics and prebiotics to support a balanced skin microbiome.
- › Oil-free, lightweight formulation.
- › Improves the appearance of fine lines.
- › Improves the penetration of follow-on products.
- › High spread-ability.

Key ingredients

- › Hyaluronic Acid – holds 10 times its weight in water and is intensely hydrating with an instant plumping effect. Boosts penetration of other actives and follow-on products.
- › Postbiotics – this serum contains 1 million inactivated *Lactobacillus* bacteria per ml (level 3) and an extract of lysed bacterial cells (level 2). These probiotic extracts can signal to skin cells to improve barrier function and reduce trans-epidermal water loss.
- › Prebiotic mix – Esse's proprietary prebiotic mix includes Inulin, Alpha-Glucan Oligosaccharides and Yacon root extract to favour the growth of beneficial skin microbes.
- › Myrothamnus Extract – this extract of the Namibian Resurrection plant is very high in antioxidants and has a rapid moisturising effect that lasts for 24 hours.
- › Rooibos and Olive Leaf Extracts - are antioxidants and protect collagen and elastin.

100% Natural

92% Organic

100% Vegan

100% Cruelty Free

155g Carbon Offset (15ml pack)

225g Carbon Offset (30ml pack)

Use

Use in the evenings. Smooth over the face and décolleté after cleansing and misting. Follow with preferred moisturiser.

Additional uses:

Apply under the Cream Mask for deeper penetration and enhanced masking results.

Repair Oil

supple skin boost

15ml/ 0.5fl oz. glass pump & 50ml salon pump

This nourishing oil supplies an ideal blend of omega fatty acids found in Flax, Marula and Rosehip oils. A real multi-tasker, highly effectively treats photo-ageing, scarring and stretch marks. Improves the general condition of the skin. Packed with antioxidants, it is highly ideal for preparing and healing the skin from exposure to environmental stress.

- › acne scarring
- › dryness
- › pigmentation
- › skin ageing

Esse Sales Pitch: A lightweight oil with Rosehip and Vitamin E to repair and improve elasticity.

Features

- › Organic and wild-harvested oils support an environment suited to an ideal skin microbiome.
- › Easily absorbed.
- › High in Vitamin E, repairs, and regenerates.
- › Builds barrier function.
- › Plumps and softens.
- › Regulates oil production.
- › Reduces pigmentation.

Key ingredients

- › Vitamin E - is included in high doses to stimulate cell regeneration.
- › Jojoba Oil - improves elasticity. It is close in composition to skin's natural sebum and regulates oil production.
- › Rosehip Oil - is high in omega-3, effective in treating pigmentation caused by essential fatty acid deficiency.
- › Marula Oil - is high in naturally occurring antioxidants; Vitamins A, C, D and E. Improves skin elasticity.
- › Yangu & Manketti Oils - provide a natural sun protection of approximately SPF4. For prolonged sun exposure, additional SPF may be required.
- › Lavender Flower Oil - is calming, promotes healing and soothes skin irritations.

100% Natural
93% Organic
100% Vegan
100% Cruelty Free
152g Carbon Offset

Use

Apply morning and/or evening to entire face, neck, and décolleté after cleansing and misting. Follow with moisturiser of choice.

Additional uses:

Effective treatment for post-acne scarring and prevents future breakouts and inflammation. Massage daily to affected areas.

Bakuchiol Serum

renew skin without sensitivity

15ml/ 0.5fl oz. glass pump

A serum containing 1% Bakuchiol, nature's alternative to retinol, that addresses the signs of ageing, inflammation, and skin texture.

- › all skin types
- › ageing
- › hyperpigmentation
- › dehydration
- › breakout-prone

Esse Sales Pitch: A super-light creamy serum with 1% purified Bakuchiol to improve wrinkles and pigmentation.

Features

- › Improves skin firmness and elasticity
- › Improves the appearance of wrinkles
- › Improves the appearance of hyperpigmentation
- › Reduces skin inflammation
- › Improves skin texture

Key Ingredient

- › Bakuchiol – a potent antioxidant that reduces inflammation and skin roughness while addressing ageing by reducing wrinkle depth, hyperpigmentation and collagen and elastin degradation.

Supporting Ingredients

- › Aloe Vera Leaf Extract – protects, hydrates, and calms the skin.
- › Jojoba Seed Oil - improves skin elasticity, reduces wrinkles, moisturises, smooths, and has an anti-inflammatory effect on the skin.

99% Natural

86% Organic

100% Vegan

100% Cruelty Free

123g Carbon Offset

Use

Apply twice daily. Smooth over face and décolleté after cleansing and misting. Follow with preferred Esse moisturiser.

Additional Uses

Can be used with other serums as a supplement to enhance anti-ageing benefits.

Pro-Sun D Serum

boosts vitamin D production for optimal skin health

15ml/0.5 fl oz glass pump bottle

A light and hydrating serum that boosts your skin's ability to produce Vitamin D, resulting in healthier skin with a youthful glow.

- › all skin types
- › ageing
- › sensitive
- › dehydration
- › breakout-prone

Esse Sales Pitch: A light sun-activated serum with Provitamin D to boost skin's Vitamin D levels with less time in the sun.

Features

- › Contains Provitamin D to boost Vitamin D production with less sun exposure.
- › Improves skin's barrier function.
- › Regulates cell regeneration.
- › Reduces skin inflammation.
- › Improves skin texture.
- › Anti-ageing benefits.

Key Ingredient

- › Provitamin D – converts to Vitamin D, which regulates immune responses, helps resolve inflammation, improves skin hydration, regulates cell regeneration, and improves skin barrier function.

Supporting Ingredient

- › Aloe Vera Leaf Extract – protects, hydrates, and calms the skin.

99% Natural
96% Organic
100% Cruelty Free
123g Carbon Offset

Use

Apply 1 – 2 pumps in the morning or before sun exposure. Smooth over the face, neck, and décolleté after cleansing and misting. For optimum vitamin D synthesis, expose the skin to at least 5 minutes of direct sun without SPF protection or Foundation. Follow with your choice of moisturiser.

Additional Uses

The product can also be applied to any exposed areas of skin. Can be used with other Esse serums.

Cocoa Exfoliator

softens & smooths

50ml/1.7fl oz. glass jar & 200ml salon sized tube

A delectable, chocolaty exfoliation experience for all skin types removes impurities and dead skin cells. Rich in cocoa, this tactile exfoliator will leave skin soft and smooth. Blood circulation is improved and the complexion refined.

- › all skin types
- › young skin

Esse Sales Pitch: Cocoa powder and fine sugar crystals exfoliate and soften.

Features

- › pH balanced and organic so as not to disrupt a healthy skin microbiome.
- › Removes dead skin cells and impurities.
- › Softens and smooths.
- › Leaves the skin nourished.
- › Improves circulation.

Key ingredients

- › Cocoa - is rich in antioxidants, gentle exfoliating action.
- › Marula and Manketti Oil - nourishes and protects.
- › Sucrose - exfoliates skin's surface.

99% Natural
29% Organic
100% Vegan
100% Cruelty Free
353g Carbon Offset

Use

Use once a week. After cleansing, apply generously to damp face and décolleté. With a small amount of water, massage in gentle circular motions for about a minute or until the tangible particles dissolve. Avoid the eye area. Rinse off using a sponge or soft cotton cloth and warm water. Follow with a Esse skincare routine.

Additional uses:

- › For a very deep exfoliation use less or no water. Less suitable for sensitive skins.
- › Follow with selected mask for maximum benefits.
- › Store in a cool dry area, steam may cause granules to dissolve.

Microderm Exfoliator

polishes & brightens

50ml/ 1.7fl oz. glass jar & 200ml salon tube

A refining exfoliator with micro-particles gently polishes and refines the skin's surface. Kaolin and Calcium Carbonate assist to improve blood circulation, removes dead skin cells and impurities and leave the complexion soft, smooth and bright.

- › all skin types
- › dry skin
- › sensitivity
- › pigmentation

Esse Sales Pitch: Kaolin clay gently polishes and refines without irritating sensitive skin.

Features

- › pH balanced and organic to support a healthy microbiome.
- › Refines and brightens.
- › Polishes away dead skin cells.
- › Lifts and removes impurities.

Key ingredients

- › Calcium Carbonate and Kaolin - provide a gentle yet highly effective exfoliation, lifts dead skin cells and exfoliate at a cellular level.
- › Rooibos - delivers potent antioxidant properties to detoxify and renew.
- › Marula Oil - nourishes and hydrates, leaving skin feeling comfortable and smooth.

99% Natural
24% Organic
100% Vegan
100% Cruelty Free
360g Carbon Offset

Use

Use once a week. Massage into face, neck, and décolleté in gentle circular motions for about a minute. Rinse off using a sponge or soft cotton cloth and warm water. Follow with Esse skincare routine.

Additional uses:

Follow with selected mask for maximum benefits.

Clay Mask

detoxifies without drying

50ml/1.7fl oz. glass jar & 200ml salon sized tube

Purifying mask revitalises dull, sallow skin. Ionised clay particles draw out heavy metals and toxins.

- › all skin types
- › acne & detox
- › blackhead concerns
- › oiliness

Esse Sales Pitch: Bentonite clay purifies and detoxifies skin that has been exposed to pollutants.

Features

- › pH balanced and organic to support a healthy skin microbiome.
- › Brightens the complexion.
- › Draws out impurities.
- › Absorbs heavy metals and toxins.
- › Leaves the skin soft and supple.

Key ingredients

- › Bentonite - negatively charged clay that attracts and binds to heavy metals, toxins and impurities associated with environmental and dietary pollution, drawing them out of the skin.
- › Kaolin - has drawing, deep cleansing properties and reduces comedones.
- › Olive Leaf Extract - improves elasticity and hydrates-tired skin.
- › Rooibos Extract - assists with detoxification and is a strong antioxidant.

99% Natural
48% Organic
100% Vegan
100% Cruelty Free
360g Carbon Offset

Use

Use once a week or more often for skin that is exposed to environmental pollutants. Apply a generous layer to clean skin. Spritz with an Esse Mist or splash with water and allow setting for at least 10 minutes. Rinse using a sponge or towel and warm water.

Additional uses:

Ideal for sallow complexion and smokers. Exfoliation before masking will assist in maximum penetration of actives.

Cream Mask

antioxidant rich repair

50ml/1.7 fl oz glass jar & 200ml salon tube

A mask to feed and nourish the most dehydrated skins. Contains stable and available sources of Vitamins B, E and C that have been shown to improve skin structure, reduce pigmentation and aid cell regeneration. With the addition of Kigelia, the Cream Mask targets all needs of a stressed and ageing skin.

- › all skin types
- › dryness
- › pigmentation
- › sensitivity
- › skin ageing

Esse Sales Pitch: Vitamin C brightens and firms while Vitamin B₅ boosts moisture levels and accelerates regeneration.

Features

- › BIOME+ LEVEL 2 + 3 FORMULATION postbiotics and prebiotics to support a balanced skin microbiome.
- › Hydrating and softening.
- › Evens skin tone.
- › Improves the appearance of fine lines and wrinkles.
- › Regenerating and anti-ageing.

Key ingredients

- › Prebiotics (Inulin and Alpha-Glucan Oligosaccharides) - feed and strengthen the skin's microbiome.
- › Lactobacillus Postbiotics - shift the skin's microbiome in a significant way.
- › Ascorbyl Palmitate - is a fat-soluble derivative of Vitamin C that can penetrate the skin and deliver antioxidants faster than the water-soluble forms of Vitamin C. Prevents cellular ageing by inhibiting the oxidation of proteins and lipid peroxidation. Lightens, brightens and firms.
- › Vitamin B5 (Panthenol) - accelerates cell regeneration and improves moisture levels.
- › Vitamin E - is healing and regenerative.
- › Kigelia Extract - is firming, lifting and anti-melanoma.
- › Low Molecular Weight Hyaluronic Acid - is intensely moisturising and plumping.

99% Natural
58% Organic
100% Vegan
100% Cruelty Free
350g Carbon Offset

Use

Use once a week or more often if necessary. Apply a generous layer to clean, dry skin and allow setting for at least 10 minutes.

Rinse using a sponge or towel and warm water.

Additional uses:

Can be used overnight as an effective treatment for pigmentation. Excellent for sun damage and sunspots. Safe for use around the eyes.

Hand Cream

light & conditioning

50ml/1.7fl oz. pump tube

A lightweight hand lotion containing Marula to nourish the skin without leaving a greasy residue.

- › all skin types
- › skin ageing
- › dryness

Esse Sales Pitch: Prebiotics feed a healthy microbiome while Kigelia brightens and firms.

Features

- › Prebiotics to selectively feed good microbes.
- › Light and nurturing.
- › Repairs sun damage.
- › Firming.
- › Mild SPF.

Key ingredients

- › Alpha-Glucan Oligosaccharide - is a prebiotic to feed good skin microbes.
- › Rooibos Extract - decreases melanotic pigmentation, increases capillary strength and circulation; anti-ageing, anti-allergen & antioxidant; repairs sun damage.
- › Kigelia Extract - is firming and known to repair sun damage.
- › Marula Oil - is antioxidant and rich in omega-6 essential fatty acids, healing and deeply hydrating.

99% Natural
87% Organic
100% Vegan
100% Cruelty Free
152g Carbon Offset

Use

Apply to hands as frequently as needed.

Rich Body Moisturiser

nourishes & firms

100ml/3.4fl oz. AND 200ml/6.4 fl oz. glass pump bottle & 400ml salon pump

A rich, velvety moisturiser with antioxidants, omega oils and firming plant extracts to replenish and nourish all skins.

- › all skins
- › dryness
- › skin ageing

Esse Sales Pitch: Lactobacillus postbiotics increase hydration by boosting barrier function.

Features

- › BIOME+ LEVEL 2 + 3 FORMULATION means an extract of Lactobacillus positively shifts microbial populations for a healthy, radiant skin.
- › Rich and luxurious.
- › Repairs sun damage.
- › Ideal for winter and dry climates.

Key ingredients

- › Grape Seed Extract - is an antioxidant; helps maintain skin elasticity by boosting collagen and elastin production.
- › Rooibos Extract - decreases melanotic pigmentation, increases capillary strength and circulation; anti-ageing, anti-allergen, and antioxidant; repairs sun damage.
- › Kigelia - is firming and known to repair sun damage.
- › Marula Oil - is an antioxidant and rich in omega 6 essential fatty acids, healing and deeply hydrating.
- › Prebiotics and Postbiotics - support a healthy microbiome to strengthen barrier function locking in moisture and protecting the skin from photo-damage and other external aggressors.

99% Natural

89% Organic

100% Vegan

100% Cruelty Free

335g Carbon Offset (100ml pack)

543g Carbon Offset (200ml pack)

Use

- › Apply as an all-over body moisturiser after bathing or showering. Massage thoroughly into dry patches such as elbows and heels to improve elasticity and soften skin.
- › Effective for hands and nails.

Body Oil

smooths & tones

100ml/3.4fl oz. glass pump bottle

Real food for skin, this luxury body oil is deeply nourishing without being greasy. High in Vitamin E and essential oils to tone and condition the skin.

- › all skin types
- › dryness

Esse Sales Pitch: A luxurious, fragrant oil with Kalahari Melon to promote skin suppleness.

Features

- › Tones and improves circulation.
- › Nourishing and softening.
- › Promotes elasticity.
- › Non-greasy, velvety after-feel.

Key ingredients

- › Kalahari Melon Oil - is rich in omegas, promotes skin suppleness.
- › Marula Oil - is healing, rich in antioxidants and omega-6 fatty acids.
- › Apricot Kernel Oil - contains vitamin A and E, which soothe the skin and slow signs of ageing.
- › Juniper Berry Oil - is stimulating, detoxifying and promotes circulation.
- › Vitamin E - is healing and regenerative. Promotes elasticity.

100% Natural
92% Organic
100% Vegan
100% Cruelty Free
317g Carbon Offset

Use

Apply to damp skin after bath or shower. Massage in large sweeping motions towards the heart to encourage healthy circulation.

Additional uses:

- › Use a few drops in the bath as a luxurious bath oil. Apply directly to hair as an overnight treatment for dry hair.
- › Massage generously into areas of concern, such as thigh and buttock region, to assist with toning and circulation.
